QUALITY STARTS HERE *PERENNIALS* for you

DE True Grower Genetics (TGG) ist das Gütesiegel von Düm- men Orange für Spitzenleistungen in der Staudenproduktion. Unsere sorgfältig ausgewählten Sorten mit dem TGG-Siegel haben sich über viele Jahre unter verschiedenen Bedingungen bewährt und stellen die beste Genetik ihrer Klasse dar.

Warum „True Grower Genetics“ wählen?

TGG-Sorten haben sich als zuverlässige Ertragsbringer erwiesen, die bei einfachem Anbau konstant erstklassige Ergebnisse liefern.

Durch umfassende Tests unterstreichen wir die außergewöhnliche Qualität und Leistung unserer Sorten.

Diese werden über mehrere Jahre und unter verschiedenen Umweltbedingungen getestet. Das Ergebnis: TGG-Sorten stellen die Spitze der Genetik auf dem Markt dar. Wenn Sie sich als Gärtner für TGG entscheiden, entscheiden Sie sich für das Beste.

Garantierte Qualität - Vertrauen Sie auf „True Grower Genetics“

Seien Sie versichert, dass der Erwerb von TGG-Sorten eine Garantie für herausragende Ergebnisse ist und Ihnen den Anbau von hochwertigen Produkten ermöglicht. Nutzen Sie unsere Anbauerfahrung und überzeugen Sie den Handel mit hervorragenden Qualitäten. Freuen Sie sich auf ein Sortiment, das Sie begeistern wird.

EN True Grower Genetics (TGG) is Düm- men Orange's quality mark for excellence in the production of perennials. Our carefully selected varieties with the TGG mark have been proving themselves for many years under a variety of conditions. They represent the best genetics in their class.

Why choose "True Grower Genetics"?

TGG varieties have proven to be reliable and profitable products that consistently deliver first-class results with easy cultivation.

Our extensive trials highlight the exceptional quality and performance of our varieties, which are tested over the course of several years under different environmental conditions. The result: TGG varieties represent the top tier of genetics in the market. For growers, choosing TGG means choosing the best.

Guaranteed quality - you can rely on "True Grower Genetics"

You can rest assured that opting for TGG varieties guarantees outstanding results and allows you to grow high-quality products. Take advantage of our cultivation experience and convince retailers with excellent characteristics. You can look forward to an assortment that will inspire you.

NL True Grower Genetics (TGG) is het kwaliteitskeur- merk van Düm- men Orange voor topprestaties op het gebied van de teelt van vaste planten. Onze zorgvuldig geselecteerde rassen met het TGG-keurmerk hebben zich jarenlang onder uiteenlo- pende omstandigheden bewezen en vertegenwoordigen de beste genetica in hun segment.

Waarom voor "True Grower Genetics" kiezen?

TGG-rassen hebben zich bewezen als betrouwbare, rendabele producten die consistent eersteklas resultaten leveren bij een eenvoudige teelt.

Uitgebreide proeven bevestigen steeds opnieuw de uitzonderlijke kwaliteit en prestaties van onze ras- sen, die meerdere jaren en onder verschillende omgevingsomstan- digheden zijn getest. Het resultaat: TGG-rassen vertegenwoordigen de top van de genetica op de markt. Voor telers betekent kiezen voor TGG, kie- zen voor het beste.

Gegarandeerde kwaliteit - ver- trouw op "True Grower Gene- tics".

Ga daarom voor TGG-rassen. Een garantie voor uitstekende resulta- ten en de zekerheid dat u kwalitatief hoogwaardige producten kunt telen. Profiteer van onze teeltovername en overtuig de handel met uitzonderlijke kwaliteit. Geniet van een inspirerend assortiment.

FR True Grower Genetics (TGG) est le label de qualité de Düm- men Orange pour l'excellence dans la production de plantes vi- vaces. Nos variétés soigneusement sélectionnées sous le label TGG ont fait leurs preuves pendant de nom- breuses années dans différentes conditions, et elles représentent la meilleure génétique de leur caté- gorie.

Pourquoi choisir « True Grower Genetics »?

Les variétés TGG se sont avérées fia- bles en termes de rendement et four- nissent constamment des résultats de qualité, tout en étant de culture facile.

Les essais approfondis confirment la qualité et performance exceptionnel- les de nos variétés qui ont été testées pendant plusieurs années dans dif- férentes conditions environnemen- tales. Résultat : Les variétés TGG re- présentent le niveau supérieur de la génétique sur le marché. Si vous choi- sissez TGG en tant que producteur, vous optez pour le meilleur.

Qualité garantie - vous pouvez faire confiance à « True Grower Gene- tics »

Soyez assurés qu'en optant pour les variétés TGG vous avez la garantie de résultats exceptionnels, ce qui vous permet de cultiver des produits de qualité supérieure. Profitez de notre expérience en matière de culture et vous convaincrez les distributeurs grâce à ces excellentes qualités. Vous pouvez vous réjouir car notre gamme va vous enchanter.

IT

True Grower Genetics (TGG) è il marchio di qualità di Dümme Orange che contraddistingue l'eccellenza nella produzione di piante perenni. Le nostre varietà contrassegnate dal marchio TGG, selezionate con la massima cura, hanno dato buona prova di sé per molti anni in diverse condizioni. Rappresentano la genetica migliore nella loro classe.

Perché scegliere "True Grower Genetics"?

Le varietà TGG si sono dimostrate prodotti affidabili e redditizi, che offrono sistematicamente risultati da primi della classe, pur restando facili da coltivare.

Le prove approfondite mettono in risalto le qualità e le performance eccezionali delle nostre varietà, che sono sottoposte a test per più anni in diverse condizioni ambientali. Il risultato: le varietà TGG rappresentano il livello massimo delle genetiche sul mercato. Per i produttori, scegliere TGG vuol dire scegliere il meglio.

Qualità garantita - potete contare su "True Grower Genetics".

Potete stare tranquilli: scegliere le varietà TGG vi assicura risultati eccezionali e vi permette di coltivare prodotti di alta qualità. Approfittate della nostra esperienza di coltivazione, potrete convincere i rivenditori con caratteristiche d'eccellenza. Come nelle vostre attese, un assortimento che vi sarà d'ispirazione.

ES

True Grower Genetics (TGG) es la marca de calidad de Dümme Orange que indica la excelencia en la producción de plantas vivaces. Nuestras variedades cuidadosamente seleccionadas con la marca TGG han demostrado su calidad durante muchos años en diversas condiciones. Constituyen la mejor genética de su clase.

¿Por qué elegir «True Grower Genetics»?

Las variedades TGG han demostrado ser productos fiables y rentables que proporcionan siempre resultados excelentes con un cultivo sin complicaciones.

Los exhaustivos ensayos destacan la calidad y las prestaciones excepcionales de estas variedades, que son sometidas a pruebas durante varios años en diferentes condiciones ambientales. El resultado: Las variedades TGG representan el máximo nivel de las genéticas del mercado. Para los productores, elegir TGG significa elegir lo mejor.

TAKE IT EASY!

Bloomix: Take it easy!

Perennials meet Bedding and Balcony Plants! In addition to the successful Bedding and Balcony classic Confetti Garden, we have launched a new series called Bloomix.

Our Bloomix blends have been tested over several years to ensure reliable production for you. The varieties are perfectly matched to achieve an optimum product with absolute planning reliability.

What sets Bloomix apart is the trendy and up-to-date color blends that are sure to catch your customers' eyes. Matching modern labels are also available, providing you with a sales-strong addition to your range. The Bedding and Balcony plants component of Bloomix already brings plenty of color to the finished product – while perennials ensure long-lasting enjoyment for the end consumer.

Benefits of Bloomix:

- **Long-lasting floral splendor:** With Bloomix, you can offer the trade a new range of plants that not only look beautiful, but also last long for the end consumer. This means satisfied customers and repeat business.
- **Trendy colors:** Each Bloomix blend combines high-quality products that harmonize perfectly with the latest color trends.
- **Easy application:** Bloomix is easy to handle and saves you valuable time and resources in production. The pre-mixed blends grow perfectly together and offer a long sales window, as they show color early on.

Don't miss the chance to complement your range and offer your customers a trendy and top-selling product.
